Experience

Web Solution Space
Founder & CEO
2020 - Present

I am currently running a web agency called Web Solution Space. I have a great team of professional freelancers. We offer web design services to our clients.

CodemanBD
Web Designer & Developer
2019 - 2020

In 2017, I completed a web design course to acquire the skills necessary for web design. Following that, I worked as a Web Designer at CodemanBD from 2019 to 2020.

Image Editing Institute
Graphic Designer
2018 - 2019

I gained experience with Photoshop, which led to an opportunity as a Graphic Designer at the Image Editing Institute from 2018 to 2019.
